If you see me on the street  
Looking like I ain't slept in a week  
Hey, don't worry, baby

Find me closin' down the bar  
Catch me crawlin' to my car  
Hey, just look the other way

And if I'm by myself with a twisted face  
Filling up on comfortable space

Never mind me  
(I'll be fine just talking to myself)  
Never mind me  
(Sittin' all alone inside my personal hell)  
I'm goin' just fine, never mind me

Well, if you just can't comprehend  
Why I'd be kissing your best friend  
Hey, just keep on walkin', baby

If you see me sittin' on the edge  
Of a twenty story ledge, oh  
But don't try to save me, no

I'm probably lookin' at the sky  
Just tryin' to find the reason why, why?

Never mind me  
(I'll be fine just talking to myself)  
Never mind me  
(Sittin' all alone inside my personal hell)  
I'm goin' just fine, never mind me

Don't remind me, I'm not crazy  
Don't rewind me then replay me  
I'm just fine

Never mind me  
(I'll be fine just talking to myself)  
Never mind me  
(Sittin' all alone inside my personal hell)

I'm goin' just fine

Never mind me

(Hey, I'll be fine just talking to myself)

Never mind me

(Ooh, sittin' all alone inside my personal hell)

I'm goin' just fine
