Well, everybody's talking and no one says a word
Everybody's making love, no one really cares
There's Nazis in the bathroom just below the stairs

Always something happening, nothing going on
There's always something cooking and nothing in the
pot
They're starving back in China, so finish what you got

Nobody told me there'd be days like these
Nobody told me there'd be days like these
Nobody told me there'd be days like these
Strange days indeed, strange days indeed

Well, everybody's running and no one makes a move
Everyone's a winner and there's nothing left to lose
There's a little yellow idol to the north of Kathmandu

Everybody's flying and no one leaves the ground
Everybody's crying and no one makes a sound
There's a place for us in the movies, you just gotta lay
around

Nobody told me there'd be days like these
Nobody told me there'd be days like these
Nobody told me there'd be days like these
Strange days indeed, most peculiar, mama

Oh, everybody's smoking and no one's getting high
Everybody's flying and never touch the sky
There's a UFO over New York and I ain't too surprised

Nobody told me there'd be days like these
Nobody told me there'd be days like these
Nobody told me there'd be days like these
Strange days indeed, most peculiar, mama
