On the road makin' noise
Rockin' hard for all the girls and boys
We got the grooves, we got the songs
Our kind of music makes you sing along, well

Jump on up in your chair
Everybody, throw your hands in the air
You're gonna scream until it hurts
You know you're gonna get your dollar's worth, well

Crank it up tonight
When you hear us on your radio, woah, woah
We'll take you for a ride anywhere
That you wanna go, woah, woah

Glad you all could make it out to the big show
1, 2, 3, 4, hey hey, here we go

Big city or a hick town
Sooner or later we'll be comin' around
We like to party with a rowdy crowd
We like our fiddles and our guitars loud

So crank it up tonight
When you hear us on your radio, woah, woah
We'll take you for a ride anywhere
That you wanna go, woah, woah

Glad you all could make it out to the big show
1, 2, 3, 4, hey hey, here we go

Hey, hey

So crank it up tonight
When you hear us on your radio, woah, woah
We'll take you for a ride anywhere
That you wanna go, woah, woah
Glad you all could make it out to the big show

Crank it up tonight
When you hear us on your radio, woah, woah
We'll take you for a ride anywhere

That you wanna go, woah, woah

Glad you all could make it to the Big & Rich show
1, 2, 3, 4, hey hey, here we go

Crank it up tonight
When you hear us on your radio
