There's a girl on channel thirteen
I know she's gonna fall in love with me
And I'm gonna win the lottery tomorrow or the next day
I drive a Mercedes Benz
I've got a whole boat load of friends
I'm gonna be on CMT someday

But in my real world
Things don't always turn out so good
Like you wish they would, yeah
In my real world
I'm a little bit messed up and broke
Don't you know? Oh

I got more money then George Strait
I throw Benjies out the window all day
Just to see how far they fly, bye, bye
Get more girls than the president
Mom and Dad still pays the rent
And I throw parties all night long

But in my real world
Things don't always turn out so good
Like you wish they would, no
In my real world
I'm a little messed up and broke
Don't you know? So low

In my real world
Things don't always turn out so good
Like you wish they would, oh yeah
Now in my real world
I'm a little messed up and broke
Oh, don't you know?

Oh, in my real world
Things don't always turn out so good
Like you wish they would
Oh, in my real world
I'm a little messed up and broke
Don't you know? Oh, oh
