Well I was raised by the good book  
Learned to work hard everyday  
thought that if you can't say something good  
there's nothing good to say  
and I caught on pretty early It's no use to work  
no harder then you play ...  
So I guess that's How  
I ended up this way

Chorus

Some where between raising hell & amazing grace  
that I keep finding myself  
Yeah I get a little crazy trying to have a little fun  
then I end up back where I started from  
Down on my knees, I pray  
O Lord let me see another day  
Some where between raising hell & amazing grace

Well I give everything I got, try to give more then I take  
For Heavens sake I keep on smiling  
No matter what comes my way  
And I may be passin' out on Friday night  
But come Sunday I'll be passing the collection plate  
Some where between raising hell & amazing grace  
that I keep finding myself  
Yeah I get a little crazy trying to have a little fun  
then I end up back where I started from  
Down on my knees, I pray  
O Lord let me see another day  
Some where between raising hell & amazing grace

Yeah I know I'm a sinner, but I've got faith  
Oh my Good side is what he's gonna see  
When Im standing at them Pearly Gates  
He'll have nothing but mercy for me

Some where between raising hell & amazing grace  
that I keep finding myself  
Yeah I get a little crazy trying to have a little fun  
then I end up back where I started from  
Down on my knees, I pray

O Lord let me see another day  
Some where between raising hell & amazing grace
