Oh oh oh oh, oh oh, yeah

Man on the TV's gone insane, everybody's just
laughing
People 'cross the world holding on
The earth caved in, the ocean came down crashing
My neighbor lost his house 'cause he can't find a job
Don't you dare pledge allegiance, don't you dare speak
of God
Speak of God
Oh! Oh! Oh! Oh!

Now I'm begging for forgiveness
I wanna make a difference even in the smallest way
I'm only one person, but I can feel it working
I believe in better days
That's why I pray

Some stupid video posted as a joke, somebody's life
gets ruined
Out of everything we can create
Where is the cure to keep the sick from losing
Babies having babies 'cause their parents are always
gone
Somehow we have forgotten how to make a house a
home
How to make a house a home
Oh! Oh! Yeah! Yeah!

I'm begging for forgiveness, I wanna make a
difference
Even in the smallest way
I'm only one person, but I can feel it working
I believe in better days
That's why I pray, yeah
That's why I pray, yeah

These demons from my past haunt me every night
And I just can't get through it
If I could forget them on my own, I'll let go and just
move on
But heaven knows I am only human

And that's why I pray, yeah yeah
That's why I pray, I pray, I pray, I pray

Yes I'm begging for forgiveness (I'm begging for
forgiveness)
I just wanna make a difference (Just wanna make a
difference)
I believe (I believe) in better days
That's why I pray
