Sometimes whiskey, sometimes pills
The silly things I need to get my thrills
Sometimes women are like cocaine
Got to have 'em more and more every day

[Chorus:]

Yeah the man in the mirror ain't no man like I ought to
be
Tell me why can't I see
when the devil gets the best of me

I've left heartaches thought they'd mend
I know how to lose some real good friends
I get angry, I stay mad
Can't get happy with this life I have

[Chorus:]

Yeah the man in the mirror ain't no man like I ought to
be
Tell me why can't I see

when the devil gets the best of me

Now I'm a little wiser than I was back then
But still I'm stumblin' every day
Trying to walk a little straighter
Trying to find a way to forgive

[Chorus:]

Yeah the man in the mirror ain't no man like I ought to
be
Tell me why can't I see
when the devil gets the best of me

[Chorus:]

Yeah the man in the mirror ain't no man like I ought to
be
Tell me why can't I see
when the devil gets the best of me

Tell me why can't I see
when the devil gets the best of me
