He was a fast machine, he kept his motor clean
He was the best kinda man I had ever seen
He had those singles eyes tellin' me no lies
An' knockin' me out with those American thighs

Takin' more then he should
He had me fightin' for air
He told me to come
But I was already there

'Cause the walls were shakin'
The earth was quakin'
My mind was achin'
And we were naked and you

Shook me all night long
Said you
Shook me all night long

Workin' double time on the seduction line
He was one of a kind , he's just mine, all mine
Wanted no applause just another course
He made a meal outta me and came back for more

Had to cool me down
To take another round
Now I'm back in the ring
To take another swing

Now the walls were shakin'
The earth was quakin'
My mind was achin'
And we were naked and you

Shook me all night long
Ah, you
Shook me all night long
You shook me all night long
You shook me all night long

I said you shook me all night long
Oh yeah you, shook me all night long

You, you, you shook me all night long
You shook me baby, shook me all night long

Yeah, yeah, yeah, yeah
You shook me, you shook me
You shook me, you shook me
You shook me all night long, yeah
