Chorus:

So I go back to my past
Rewind the future
Then maybe we will last
Is it just the facts of time
Am I just sitting in the line
So baby we can last
I go back to my past
Rewind the future
Then maybe we will last
Is it just the facts of time
Am I just sitting in the line
So baby we can last

Verse 1:

I don't want the same stories
That you use to tell when we were together
All the things I use to give to you
They meant nothing cause you wanted more of my
time of my time
You left me going insane with the thoughts and
memories of the times we use to share
I'm left thinking about the facts of time

Chorus:

Back to my past
Rewind the future
Then maybe we will last
Is it just the facts of time
Am I just sitting in the line
So baby we can last
I go back to my past
Rewind the future
Then maybe we will last
Is it just the facts of time
Am I just sitting in the line
So baby we can last

Verse 2:

Your love is a hold on me
More time then I'll set you free
There's a force that's controlling me

To my own destiny
Give me time give me time
To give my feelings away
Give me one more chance
Give me one more life
Then I'll leave you with the facts of time

Chorus:

Back to my past
Rewind the future
Then maybe we will last
Is it just the facts of time
Am I just sitting in the line
So baby we can last
I go back to my past
Rewind the future
Then maybe we will last
Is it just the facts of time
Am I just sitting in the line
So baby we can last
