And These Voices, Voices Keep On Ringing Out In My  
Head, My Head  
And I Just Wish They Would Go Away Instead Of  
Hanging Around Like They Do  
And They Said, They Said That I Was Taking Too Many  
Damn Friends  
But I don't Think That They Know, Know I Know They  
don't Know, what They're Saying  
Cause They Said They Said, That I Sould Probably Give  
Up, Give Up  
Before the Going Goes And Gets Too Tough But I've  
Had Of Enough Of Them  
I've Had Enough Of This

And I've Had My Fair Share And Just I don't Think That Is  
Fair  
To Pretend I haven't Had In All Of This  
Pretend I haven't Had In All Of This  
And I've Had My Fair Share And I Just don't Think That Is  
Fair  
To Pretend I haven't Had In All Of This  
Pretend I haven't Had In All Of This

And They Said, They Said That I'm A Hypocrite  
And I Wish, I Wish That They Would Really Quit Talking,  
Talking About All Of This To My face And The Least  
They Said They Said  
That They Can Go Away When They Want  
Be Too Happy To Say Until I Clear My Head, Until I Clear  
My Head

And I've Had My Fair Share And Just I don't Think That Is  
Fair  
To Pretend I haven't Had In All Of This  
Pretend I haven't Had In All Of This  
And I've Had My Fair Share And I Just don't Think That Is  
Fair  
To Pretend I haven't Had In All Of This  
Pretend I haven't Had In All Of This

They Couldnt Possibly Know What They Are Asking This  
Time

It's So Different, I'm So Far And there's So Many Things  
Left Unsaid, Left Undone,  
To The Point Were Nothings Worrying Me Softly, Softly  
To Sleep  
Out In The Different Location Of Mine  
Under some other damage occurs

And I've Had My Fair Share And Just I don't Think That Is  
Fair  
To Pretend I haven't Had In All Of This  
Pretend I haven't Had In All Of This  
And I've Had My Fair Share And I Just don't Think That Is  
Fair  
To Pretend I haven't Had In All Of This  
When I'm The One Who's Had It All This Time
