What if I told you it was all meant to be
Would you believe me?
Would you agree?
It's almost that feeling
We met before
So tell me that you don't all think I'm crazy
When I tell you lovers come here and now,

A moment like this
Some people wait a lifetime
For a moment like this
Some people search forever
For that one special kiss
Oh I can't believe it's happening to me
Some people wait a lifetime
For a moment like this.

Everything changes, but beauty remains
Something so tender, I can't explain
Well I might be dreaming but 'til I awake
Can't we make this dream last forever?
And I'll cherish all the love we shared

A moment like this
Some people wait a lifetime
For a moment like this
Some people search forever
For that one special kiss
Oh I can't believe it's happening to me
Some people wait a lifetime
For a moment like this.

Could this be the greatest of them all
I wanna know that you'll catch me when I fall,

So let me tell you this

Some people wait a lifetime
For a moment like this

Some people wait a lifetime
For a moment like this

Some people search forever
For that one special kiss
Oh I can't believe it's happening to me
Some people wait a lifetime
For a moment like this.

moment like this.
Moment like this.

Oh I can't believe it's happening to me
Some people wait a lifetime
For a moment like this.
