"Blue Christmas"

I'll have a blue Christmas without you
I'll be so blue just thinking about you
Decorations of red on a green Christmas tree
Won't be the same dear, if you're not here with me

And when those blue snowflakes start falling
That's when those blue memories start calling
You'll be doin' all right, with your Christmas of white
But I'll have a blue, blue blue blue Christmas

Decorations of red on a green Christmas tree
They won't be the same dear, if you're not here with me

And when those blue snowflakes start falling
That's when those blue memories start calling
You'll be doin' all right, with your Christmas of white
But I'll have a blue, blue blue blue Christmas

Yes, I'll have a blue, blue blue blue Christmas
Oh yes now I'll have a blue, blue blue blue Christmas
