Sometimes the clouds might block the sun,  
Sometimes it rains on everyone,  
Sometimes all it just comes undone.

Because life's a mess but beautiful,  
With unexpected miracles,  
Like you and I

Chorus:  
That's why I try,  
To Breathe like it is my last breath coming,  
Dream like I'll never wake,  
Pray like I know a new day is dawning,  
Love like you love me.

And time was never on our side,  
The moments all seem to collide,  
Yeah its a short and crazy ride.

I hold on tight,  
I hold on close,  
To all the things that mean the most,  
Like you and I.

Chorus:  
That's why I try,  
To Breathe like it is my last breath coming,  
Dream like I'll never wake,  
Pray like I know a new day is dawning,  
Love like you love me.

The way you move me,  
Is why I was born to be,  
You are the life that hid,  
That burns inside of me,  
You are the air I breathe.

Dream like I'll never wake,  
That's why I Pray,  
Like I know when a new day is dawning,  
Love x2

I Breathe, I Dream, I Pray, and I Love x2

That's why I Know,

Ohhhhhhhh

I love you baby.
