The light before my eyes  
Clears my thoughts away  
The brightness in your smile  
And I know I've done wrong

I can't believe what I'm going through  
What am I gonna put you through  
Could you do the impossible  
And just forgive then forget

I took my chances  
Then it fell through my hands  
A day turned to a week  
And hit me, I was untrue  
I'd hurt you  
But you didn't know it  
Not just yet

You are so happy  
To me, You seem thoughtless  
The confusion soon to pull through  
I can't believe I did wrong

You won't believe when I tell you  
How you'll break down, Possibly me too  
I would hate you to do the impossible  
And forgive and forget

I took my chances  
Then it feel out of my hands  
A week turned to a month  
And it hurt I was untrue  
I'd hurt you  
But you didn't know it...

And the question is  
If you ever know  
If I could drop it here and now  
And break my heart  
Save you the tears and pain

I took my chances

It's back in my hands  
I put those days behind  
And I won't forget I was untrue  
I'd hurt us  
But you're never to know

I took my chances  
It's back in my hands  
I put those days behind  
And I won't forget I was untrue  
I'd hurt us  
But you're never to know

No

I won't let the tables turn  
Won't let anyone or anything stop me from moving on  
Let the troubles fall behind me  
For always

And you're never to know.
