do you remember when you were 7?
and the only thing that you wanted to do
is to show your mum you could play the piano
10 years have passed the one thing that will last
is that same old song that we played along
and made my mama cry

i miss those days and i miss those ways
when i got lost in fantasies in a cartoon land of
mysteries
in a place you won't grow old
in a place you won't feel cold

and i'll sing
da da da da da da da da da
seems i'm lost in my reflection
da da da da da da da da da
find the star for my direction
da da da da da da da da da
for the little girl inside
who won't just hide
don't let me see mistakes and lies
let me keep my faith in innocent eyez

do you remember when you were 15?
adn the kids at school called you a fool
coz you took the chance to dream
in the time thats passed the one thing that will last
is that same old song that we played along
and made my daddy cry

i miss those days and i miss those ways
when i got lost in fantasy in a cartoon land of mystery
in a place you won't grow old in a place where you
won't feel cold
and i'll sing

da da da da da da da da da
seems i'm lost in my reflection
da da da da da da da da da
find a star for my direction

da da da da da da da da da
for the little girl inside
who won't just hide don't let me see mistakes and lies
let me keep my faith in innocent eyez

i don't know this part but i'll just make it up
