Lord is calling, patience falling  
Distant dreams and thoughts of you  
Time is wasted, far off places  
Wish I could fly and be with you

No more time for sentimental thoughts in my head  
Do you keep me in your dreams?  
Can you hear me calling, hear me calling?

When I go there, I search the stars  
To see your face within the sky  
I love this place and I know why  
You're always there, in my mind  
And Lord, I wish that I could hear  
Your silly voice sing in my ear  
Hold your hand and hold you near  
And if I fall, hear me call

Make's me wonder, this spell I'm under  
Trapped inside me, will I be true?  
So much to see, where will I be?  
World is changing, let it change with you

No more time for sentimental thoughts in my head  
Do you keep me in your dreams?  
Can you hear me calling, hear me calling?

When I go there, I search the stars  
To see your face within the sky  
I love this place and I know why  
You're always there, in my mind  
And Lord, I wish that I could hear  
Your silly voice sing in my ear  
Hold your hand and hold you near  
And if I fall, hear me call

Throughout the night  
No more time for sentimental thoughts in my head  
Do you keep me in my dreams?  
Can you hear me calling, hear me calling?

When I go there, I search the stars

To see your face within the sky  
I love this place and I know why  
You're always there, in my mind  
And Lord, I wish that I could hear  
Your silly voice sing in my ear  
Hold your hand and hold you near  
And if I fall, hear me call
