Been living my life in commotion  
Like all the colors, bruised and broken  
black cats and ladders, smoke and mirrors  
Seven years of bad luck made it clearer

I woke up running with a pain in my heart  
Can't get there fast enough, yeah, fast enough  
No matter what I do, I gotta get to you  
Falling deeper in love, yeah, deeper in love  
You have got me hypnotized  
I lost control and now I'm trapped in all this  
feelings, going out of my mind  
I'm going deeper in love, yeah, deeper in love with you

Like a spell I've fallen under  
Intoxicating when you're closer  
Shower me with confetti rain  
Down from open skies  
I'm gonna cut the strings off these balloons so watch  
them fly so high

I woke up running with a pain in my heart  
Can't get there fast enough, yeah, fast enough  
No matter what I do, I gotta get to you  
Falling deeper in love, yeah, deeper in love  
You have got me hypnotized  
I lost control and now I'm trapped in all this  
feelings, going out of my mind  
I'm going deeper in love, yeah, deeper in love with you

I'm standing on the edge  
Looking on this brave new world  
Feeling vertigo, I take this step and just let go  
Something's got me mesmerized  
Feels like I've been hypnotized

I woke up running with a pain in my heart  
Can't get there fast enough, yeah, fast enough  
No matter what I do, I gotta get to you  
Falling deeper in love, yeah, deeper in love  
You have got me hypnotized  
I lost control and now I'm trapped in all this

feelings, going out of my mind  
I'm going deeper in love, yeah, deeper in love with you
