Ohh yeah, who cares what they say?

That boy is working you, be careful what you do,
They say he's nothing but trouble with an attitude.
Well, I'm leading intervention and my friends with good intentions,
Say, "if you don't walk away, girl, you must be crazy".

They don't see through these eyes, they don't feel with this heart,
They don't know what it's like, oh-oh-oh.
They're not kissin your lips, they're not touching like this,
I feel the passion and the fire ignite me.

I don't care what they say, I don't care what they do,
They can lock me up forever, try to stop me loving you (they can't stop me),
They tried to keep Romeo and Juliet apart,
Babe, it doesn't matter what they say, I only listen to my heart.

I don't care what they do, nothing's gonna stop me loving you,

I don't care what they say, I'm gonna love you anyway.
Your body feels so right (feels so right), laying by my side,
And if the world should end tonight, baby I'd be satisfied.
I know you're a better man, I'm sorry they don't understand,
You make me feel like I, like I never felt before.

[Chorus]

Oh, oh, nobody can tell me how to feel, oh, oh, nobody can show me what is real
Words can't change what I know it's true, nothing's gonna stop me loving you.

[Bridge]

[Chorus x2]

I don't care what they do, nothing's gonna stop me
loving you,
I don't care what they say, I'm gonna love you anyway.
I don't care what they do, nothing's gonna stop me
loving you,
I don't care what they say, I'm gonna love you anyway.
