That boy is working you, be careful what you do,
They say he's nothing but trouble with an attitude.
Well, I'm leading intervention and my friends with good
intentions,
Say, "if you don't walk away, girl, you must be crazy".

They don't see through these eyes, they don't feel with
this heart,
They don't know what it's like, oh, oh, oh.
They're not kissing your lips, they're not touching like
this,
I feel the passion and the fire ignite me.

I don't care what they say, I don't care what they do,
They can lock me up forever, try to stop me loving
you.
They tried to keep Romeo and Juliet apart,
Babe, it doesn't matter what they say, I only listen to
my heart.

I don't care what they do, nothing's gonna stop me
loving you,
I don't care what they say, I'm gonna love you anyway.
Your body feels so right (feels so right), laying by my
side,
And if the world should end tonight, baby, I'd be
satisfied.
I know you're a better man, I'm sorry they don't
understand,
You make me feel like I, like I never could.

Chorus

Oh, oh, nobody can tell me how to feel, oh, oh, nobody
can show me what is real
Words can't shake what I know it's true, nothing's
gonna stop me loving you.

Bridge

Chorus x 2

I don't care what they do, nothing's gonna stop me
loving you,
I don't care what they say, I'm gonna love you anyway.
I don't care what they do, nothing's gonna stop me
loving you,
I don't care what they say, I'm gonna love you anyway.
