## Innocent Eyes

Do you remember when you where 7?
And the only thing that you wanted to do
Was show your mum that you could play the piano
Ten years have passed
And the one thing that lasts
Is that same old song that we played along and made
my mama cry

I miss those days and I miss those ways
When I got lost in fantasies
In a cartoon land of mysteries
In a place you won't grow old in a place you won't feel cold and I'll sing

Da Seems I'm lost in my reflection
Da da
Find a star for my direction
Da da
For the little girl inside who won't just hide
Don't let me see mistakes and lies
Let me keep my faith and innocent eyes
My innocent eyes

Do you remember when you were 15?
And the kids at school called you a fool cos you took the chance to dream
In the time that's past and the one thing that lasts
Is that same old song that we played along and made my daddy cry

I miss those days and I miss those ways
When I got lost in fantasies
In a cartoon land of mysteries
In a place you won't grow old in a place you wont feel
cold and I'll sing

Da Seems I'm lost in my reflection

Da Find a star for my direction Da For the little girl inside who wont just hide Don't let me see mistakes and lies Let me keep my faith and innocent eyes My innocent eyes

Under my feeling under my skin Under the thoughts from within Learning the subtext Of the mind See creation how where defined

Da Seems I'm lost in my reflection
Da da
Find a star for my direction
Da da
For the little girl inside who wont just hide
Don't let me see mistakes and lies
Let me keep my faith and innocent eyes
My innocent eyes
