Do you remember when you were seven
And the only thing that you wanted to do
Was show your mum that you could play piano

Ten years have passed
And the one thing that lasts
Is that same old song that we played along
And made my mumma cry

I miss those days and I miss those ways
When I got lost in fantasies
In a cartoon land of mysteries
In a place you won't grow old
In a place you won't feel cold and I'll sing

Da da da da da da, da da da da da da
Seems I'm lost in my reflection
Da da da da da da, da da da da da da
Find a star for my direction

Da da da da da da, da da da da da da
For the little girl inside, who won't just hide
Don't let me see mistakes and lies
Let me keep my faith in innocent eyes

Do you remember when you were fifteen
And the kids at school called you a fool
'Coz you took the chance to dream

In the time that's passed
And the one thing that lasts
Is that same old song that we played along
That made my daddy cry

I miss those days and I miss those ways
When I got lost in fantasies
In a cartoon land of mysteries
In a place you won't grow old
In a place you won't feel cold

Da da da da da da, da da da da da da
Seems im lost in my reflection

Da da da da da da, da da da da da da
Find a star for my direction

Da da da da da da, da da da da da da
For the little girl inside, who won't just hide
Don't let me see mistakes and lies
Let me keep my faith in innocent eyes

Under my feelings, under my skin
Under the thoughts from within
Learning the subtext of the mind
See creation, how we're defined
My innocent eyes

I miss those days and I miss those ways
When I got lost in fantasies
In a cartoon land of mysteries
In a place you won't grow old
In a place you won't feel cold

Da da da da da da, da da da da da da
Seems I'm lost in my reflection
Da da da da da da, da da da da da da
Find a star for my direction

Da da da da da da, da da da da da da
For the little girl inside, who won't just hide
Don't let me see mistakes and lies
Let me keep my faith in innocent eyes

Da da da da da da, da da da da da da
Faith in innocent eyes
Da da da da da da, da da da da da da
Faith in innocent eyes

Da da da da da da, da da da da da da
For the little girl inside, who won't just hide
Don't let me see mistakes and lies
Let me keep my faith in innocent eyes
