Do you remeber,  
when you were seven  
And the only thing  
that you wanted to do  
Was show your mum  
that you could play the piano  
Ten years have past,  
And the one thing that will last  
Is the that same old song we played along  
and made my mama cry  
I miss those days and I miss those ways  
When I got lost in fantasies  
In a cartoon land of mysteries  
In a place that you won't grow old, in  
A place that you won't feel cold  
And I'll sing

Chorus:

Da da da da da da da da  
da da da da da da da da  
Seems you're lost in my relection  
Da da da da da da da da  
da da da da da da da da  
Find a star for my direction  
Da da da da da da da da  
da da da da da da da da  
For the litle girl inside  
who won't just hide  
Don't let me see mistakes and lies,  
let me keep my faith and Innocent Eyes

Do you remember,  
when you were 15  
And the kids at school  
called you a fool cos  
You took the chance to dream  
In the time that's past  
and the one thing that will last  
Is that same old song that we played along  
and made my daddy cry  
I miss those days and I miss those ways

When I got lost in fantasies, in a cartoon land of  
mysteries  
In place you won't grow old, in  
a place you won't feel cold  
And I'll sing

Chorus:

Da da da da da da da da  
da da da da da da da da  
Seems you're lost in my reflection  
Da da da da da da da da  
da da da da da da da da  
Find a star for my direction  
Da da da da da da da da  
da da da da da da da da  
For the little girl inside  
who won't just hide  
Don't let me see mistakes and lies,  
let me keep my faith and Innocent Eyes

Under my feelings, under my skin,  
under my thoughts, far within  
Learning the subtext of the mind,  
see creations, how we're defined  
My Innocent Eyes

I miss those days and I miss those ways,  
when I got lost in fantasies, in a cartoon land of  
mysteries  
In a place you won't grow old, in  
a place you won't feel cold

Chorus:

Da da da da da da da da  
da da da da da da da da  
Seems you're lost in my relection  
Da da da da da da da da  
da da da da da da da da  
Find a star for my direction  
Da da da da da da da da  
da da da da da da da da  
For the litle girl inside  
who won't just hide  
Don't let me see mistakes and lies,  
let me keep my faith and Innocent Eyes

My Innocent Eyes  
Faith and Innocent Eyes,  
faith and Innocent Eyes  
For the little girl inside,  
who won't just hide

Don't let me see mistakes and lies  
let me keep my faith and Innocent Eyes
