The grounds shakin, an earthquakes comin,
Let me inside, I got nothin to hide
ooo yeah, nothin [nothin to hide]

Chorus:

*The crowds shoutin for me [for me]
I'm the one they want to see [want to see]
clap along to my song, oh I can't live, if I can't sing
It's everything, to me, ooo
I don't wanna be, one of those people
Who are never seen [ooo, never seen] I'm just a normal
girl
A normal teen [normal teen] I love that chocolate swirl
ice cream
I hate those ones who judge you, before they even
know you
I hate those hoes, those hardcores
I dont wanna be part of their gang, their clique,
whatever*

I've got my friends, the fun never ends
I've got my family, I've got my relatives
Come on now, I dont want you to shout
Help me show, what this song's all about
I'm sick, I'm tired, sick of all this, this fightin
Oh, I dont wanna be, one of those people
Who are never see [ooo, never seen] I wanna be
famous
I wanna be reconised, I want only a little house
I want a surprise [whoa oh yeah]

chorus

The grounds shakin, I'm coming
Let me inside, I got nothin to hide
ooo yeah nothing [nothing to hide]

chorus

Ooo, come on now, I don't want you to shout
Help me show, what this song's all about
mmm yeah
