I know I can be a little stubborn sometimes
A little righteous and too proud
I just want to find a way to compromise
Cos I believe that we can work things out

I thought I had all the answers never giving in
But baby since you've gone I admit that I was wrong

All I know is I'm lost without you I'm not gonna lie
How my going to be strong without you I need you by
my side
If we ever say we'll never be together and we ended
with goodbye don't know what I'd do ...i'm
Lost without you
I keep trying to find my way but all I know is I'm lost
without you
I keep trying to face the day I'm lost without you

How my ever gonna get rid of these blues
Baby I'm so lonely all the time
Everywhere I go I get so confused
You're the only thing that's on my mind

Oh my beds so cold at night and I miss you more each
day
Only you can make it right no I'm not too proud to say

All I know is I'm lost without you I'm not gonna lie
How my going to be strong without you I need you by
my side
If we ever say we'll never be together and we ended
with goodbye don't know what I'd do ...i'm
Lost without you
I keep trying to find my way but all I know is I'm lost
without you
I keep trying to face the day I'm lost without you

If I could only hold you now and make the pain just go
away
Can't stop the tears from running down my face
Oh

All I know is I'm lost without you I'm not gonna lie
How my going to be strong without you I need you by
my side
If we ever say we'll never be together and we ended
with goodbye don't know what I'd do ...i'm
Lost without you
I keep trying to find my way but all I know is I'm lost
without you
I keep trying to face the day I'm lost without you
