I know I can be a little stubborn sometimes (you might say)  
A little righteous and too proud  
I just wanna find a way to compromise  
Cause I believe that we can work things out  
I thought that I had all the answers  
Never givin in  
But baby since you've gone  
I admit that I was wrong  
All I know is I'm lost without you  
I'm not gonna lie  
How am I gonna be strong without you  
I need you by my side  
If we ever said we'd never be together  
And we ended it with goodbye  
Dunno what I'd do  
Im lost without you  
I keep trying to find my way  
And all I know is im lost without you  
I keep trying to face the day  
I'm lost without you  
How am I ever gonna get rid of these blues  
Baby I'm so lonely all the time  
Everywhere I go I get so confused  
Your the only thing that's on my mind  
Oh my bed so cold at night  
And I miss you more each day  
Only you can make it right  
No I'm not too proud to say  
All I know is I'm lost without you  
I'm not gonna lie  
How am I gonna be strong without you  
I need you by my side  
If we ever said we'd never be together  
And we ended it with goodbye  
Dunno what I'd do  
I'm lost without you  
I keep trying to find my way  
And all I know is I'm lost without you  
I keep trying to face the day  
I'm lost without you  
If I could only hold you now

Make the pain just go away  
Can't stop the tears from running down my face (oh)  
All I know is I'm lost without you  
I'm not gonna lie  
How am I gonna be strong without you  
I need you by my side  
If we ever said we'd never be together  
And we ended it with goodbye  
Dunno what I'd do  
I'm lost without you  
I keep trying to find my way  
But all I know is im lost without you  
I keep trying to face the day  
And all I find is  
I'm lost without your love  
I keep trying to find my way  
And all I know is  
I'm lost without you (oh)  
I'm lost without you
