Love, what is it
Love, what is it
Love, what is love

Loving somebody
Loving someone you care for
Love, it is true family
Do you believe
Do you believe in love
Do you believe
Love

'cause love, what is it
Love, what is it
Love, what is love

Boys come and go
But what do they show
One day they say they love you
The next they don't know

'cause love, what is it
Love, what is it
Love, what is love

When everything goes wrong

Who surely can you lean on
Your family's always on your side
Never hide
When clouds come over
Who can you count on to be there
I can count on you

And I say
Love, what is it
Love, what is it
Love, what is love
Love, what is it
Love, what is it
Love, what is love
Love, what is it

Love, what is it
Love, what is love

What is it
Love, what is love
