There's a hand over my mouth,  
So I can't speak, speak to you.  
I'm tied, tied up in chains,  
And what remains is the silence.

I feel the night around my days  
As if the cold is here to stay.  
There are hands over my eyes  
So I can't see what you're trying to do to me.

I can't tell you what you want to know,  
I can't tell you all you need to hear,  
'Cause there's no communication.  
I can't let you crawl inside my dreams,  
I can't tell you all my hopes and fears,  
'Cause there's no communication here,  
There's no communication here.  
There's no communication.

Baritones are twisted and turned,  
That twist my words 'till I don't know them.  
You lie in black and white  
And still the night and make me frozen.

I called your name, but you're not there,  
I'm not the same, the water  
Protect my heart and mind off you.

I can't tell you what you want to know,  
I can't tell you all you need to hear,  
'Cause there's no communication.  
I can't let you crawl inside my dreams,  
I can't tell you all my hopes and fears,  
'Cause there's no communication here,  
There's no communication here.  
There's no communication.

I can't tell you what you want to know,  
I can't tell you all you need to hear,  
'Cause there's no communication.  
I can't let you crawl inside my dreams,

I can't tell you all my hopes and fears,  
'cause there's no communication.

I can't tell you what you want to know,  
I can't tell you all you need to hear,  
'cause there's no communication here
