Delta Goodrem & Olivia Newton-John

Don't give up, here I am  
And if you need a helping hand  
I'm gonna be right here with you

I can feel a knowing here between us  
(Yes you walk on the path I walk to)  
It takes just one second, one moment to change your  
life  
But deep down you know it's lies

Suddenly your deepest fears are spoken  
(But you can't let your spirit be broken)  
It takes just one second to stand up and say it's my  
life

I won't give up, don't give up, here I am  
And if you need a helping hand  
I'm gonna be right here with you  
You're not alone, I've been there too  
And I understand what you go through  
I'm gonna be right here with you  
Right here with you

Sometimes there is not a rhyme or reason  
(So you search for something to believe in)  
But life is a dance and the answer to living is love

Don't give in, don't give up, here I am  
And if you need a helping hand  
I'm gonna be right here with you  
You're not alone, I've been there too  
And I understand what you go through  
I wanna be right here with you

You will never be the same  
And see the rainbow through the pain  
Let your heart be strong  
Feel the golden sun

Don't give up, here I am

And if you need a helping hand  
Iâ€™m gonna be right here with you  
Youâ€™re not alone, Iâ€™ve been there too  
And I understand what you go through  
I wanna be right here with you  
Right here with you

Donâ€™t give in, donâ€™t give up  
Donâ€™t give in, donâ€™t give up  
Yes Iâ€™ll always be right here with you  
Donâ€™t give in, donâ€™t give up  
Iâ€™ll always be right here with you  
Donâ€™t give in, donâ€™t give up  
Yes Iâ€™ll always be right here with you  
Donâ€™t give up, here I am  
And if you need a helping hand  
I wanna be right here with you  
Right here with you
