Say- Delta Goodrem

Holding in that moment in my head,
As you walk near,
And it's oh so clear,
Cos i can see a time when you and i,
Would step out of my dreams,
And it's oh so real.

Is there anyway to show you,
To see what i can see
To make you feel what i can feel (i can feel)
Is there anyway to make you,
Believe what i believe
Cos you could make my dreams so real.

Say you love me,
Say you want me,
Say you're always dreaming of me,
Say the word and baby you'll be mine,
(Baby you'll be mine)
Say you love me,
Say you need me,
Say you just can't wait to see me
Say the word and baby you'll be mine
(Baby you'll be mine)

Never seem to notice what goes on,
Inside of my mind,
Yet it's so defined,
Cos i can make you love me,
If you'd only take the time to decide,
That i'm your kind.

Is there anyway to show you?
To see what i can see
To make you feel what i can feel (i can feel)
Is there anyway to make you,
Believe what i believe
Cos you could make my dreams so real.

Say you love me,

Say you want me,
Say you're always dreaming of me,
Say the word and baby you'll be mine,
(Baby you'll be mine)
Say you love me,
Say you need me,
Say you just can't wait to see me
Say the word and baby you'll be mine
(Baby you'll be mine)

Is there anyway to make you,
Believe what i believe
Cos you could make my dreams so real.

Say you love me,
Say you want me,
Say you're always dreaming of me,
Say the word and baby you'll be mine,
(Baby you'll be mine)
Say you love me,
Say you need me,
Say you just can't wait to see me
Say the word and baby you'll be mine
(Baby you'll be mine)

(Repeat to fade)
