I'm not sure if who I am is who I want to be
I'm not sure if I'm afraid or don't like what I see
Looking back I thought these things made sense to me before
All I know right now is I'm unsure

I'm not sure why black and white always fades to gray
I'm not sure why love is here and then it goes away
I think that I have all I need and then I still want more
All I know right now is I'm unsure

How can I trust again
When my heart won't give in?
How can I?
Where do I begin?

I'm not sure what happens now or why dreams disappear
I'm not sure why letting go is still my greatest fear
I don't have the answers to these questions anymore
All I know right now is I'm unsure

How can I trust again
When my heart won't give in?
How can I?
Where do I begin?

All I know right now
All I know right now
All I know right now is I'm unsure
