Love...?

What is it? love...?

What is it? love...?

What is love?

Loving somebody, loving someone you care for,

Love is true, You fell like me.

Do you believe? Do you believe in love?

Do you believe in love?

Coz Love...?

What is it? love...?

What is it? love...?

What is love?

Boys come and go, but what do they show?

One day they say they love you, and next they don't know.

Coz Love...?

What is it? love...?

What is it? love...?

What is love?

When everything goes wrong, whos shoulder can you lean on?

The he's always on your side, Never high

When clouds come over, Who can you depend on to be there?

I can count on you

But i say Love...?

What is it? love...?

What is it? love...?

What is love?

Love...?

What is it? love...?

What is it? love...?

What is love?

Love...?

What is it? love...?
What is it? love...?
What is love?

What is it? love...?
What is love?
