Streetwalker knows how to strut right  
She knows the truth  
Bad boys walking through the corridor  
God knows what they're gonna do.

Darkness paraded across the headlines:  
'Little girl stolen from her bedroom,'  
Homeless, beat to death, or put out  
Hopeless... greedy and cruel.

Oh why can't I feel for you?  
My heart is so black to you--  
Oh--

Her head was spinning like a hurricane  
Tina was singing her name  
Old men like to rape her in the red light  
She's too young and numb to complain

Little boy bought at the age of six,  
Down the street he's wearing a dress  
Look at his face, you won't see no innocence  
He's got so much experience

Oh why can't I feel for you?  
They lie, what can I do?

Oh Love, set me free!  
Set me free!  
Come on and set me free!

Oh Lord, set me free!  
Set me free!  
Come on and set me free!  
Underground... the German Casanova  
Underground... The Panamanian Queen  
He whispers, "Down here, the law will never find you.  
Down here I am your God and King"

It's a sin to sit and just do nothing,  
There's a special place in hell for me  
Oh God I just gotta do something

I swear to God this is happening--

Oh Love, set me free!  
Set me free!  
Come on and set me free!

Oh Lord, set me free!  
Set me free!  
Oh, it could have been me.

Oh Lord, set them free!  
Set them free!  
It could have been me.
