Just tear it up
Just tear it up
Just tear it up
Just tear it up

Just tear it up
Just tear it up
Just tear it up
Just tear it up

And by the way she told me
September's far too late
When her heart's like water
And a heart too strong to hate

Just tear it up
Just tear it up
Just tear it up
You spare the life

Just tear it up
Just tear it up
Just tear it up
You spare the life

And as a set don't shatter
Brought the folks out to the street
All walks of life together
Put the past beneath their feet

Just tear it up
Just tear it up
Just tear it up
Just tear it up

Just tear it up
Just tear it up
Just tear it up

You spare the life
You spare the life

You spare the life
(Just tear it up...)
You spare the life
(Just tear it up...)
You spare the life
