Itsuwari to nikushimi ga sodate ta
Iroase ta supaisu no BED
Kagi no nai tejou wo hazushi tara
Ikki wo tome te fumie no naka sekai he to

Freedom, For freedom
Anyone is bound by the word
Society lets us be out of order
Freedom, For freedom
All the people are tied up in this world
There is neither the hatred nor the sorrow there

Ami ni kakatta kegare ta mushi tachi wo
Kizui te kure nai kurin na Eyes
Sugaru you ni hikizurikon dara
Haitoku to kairaku no sekai he to

Freedom, For freedom
Anyone is bound by the word
Society lets us be out of order
Freedom, For freedom
All the people are tied up in this world
There is neither the hatred nor the sorrow there

Me wo toji te yume ni toke te
Kimi no mae ni sukoshi demo hitotsu de mo
Shinji rareru keshiki wa mie masu ka
Me wo kirai te ima toberu nara
Kaki kake no teka no tsuzuki wa
Jiyuu wo erabou

Freedom, For freedom
Anyone is bound by the word
Society lets us be out of order
Freedom, For freedom

All the people are tied up in this world
There is neither the hatred nor the sorrow there
