Rage, I just don't understand the day  
Hate, Don't you feel at all ashamed  
I need this to break to pieces  
I can't tell. Am I for sale?  
Sane  
Is it judgment for saints?

(Chorus)  
I, Need to be higher  
Cause I, Die in all my dreams  
I, Want to be better  
If I  
Would leave me be

Your Pain Your Hate  
Your everything they've made  
Your life Your death  
No one sees the day.  
There's no One (left)

Slave, She suffers pain to get away  
Shame, For everything she loves to hate  
I need this to rest in peaces  
I can't tell am I in Hell?  
Pain, Is it judgment for saint?

(Chorus)  
I'm pain. I'm Hate  
I'm everything you made  
My Life my Death  
I will see my day

Solo (Bob, John)

Rage, I want to understand your pain  
Hate, There's only me and me to blame  
I need this to break to pieces.  
I can't tell are you for sale  
Wait, Is it judgement for saints?

(Chorus)

Leave Me Be!
