Every night i go to bed i tell myself
"this hurts a little less"
Every time i close my eyes i hear a voice say
"you missed out on the best"
Cada dia me despierto pretendiendo
que lo nuestro no paso
Cada dia muere lentamente toda la esperanza
y no el dolor...

And i confess i feel you when the wind blows
I confess, i do...

We are
Llegamos al final
Alone at least
No te podre salvar
No me podras salvar

We are
Llegamos al final
Alone at least
No te podre salvar
No me podras salvar

Cada aliento me recuerda del momento
en que de ti me enamore
Every breathe i take reminds me
Of the way you'd say you'd never let me go

And i confess i feel you when the wind blows
I confess, i do...

We are
Llegamos al final
Alone at least
No te podre salvar
No me podras salvar

And i confess i feel you when the wind blows
I confess, i do...

We are
Llegamos al final
Alone at least
No te podre salvar
No me podras salvar

We are
Llegamos al final
Alone at least
No te podre salvar
No me podras salvar
