No todo lo que brilla es oro, amor  
intente encontrarle el encanto al entierro  
inutil no intentar perder control  
me perdi en tus brazos me enterraste en el cielo

Confusion... revolution  
why did you expect me to be holding on?  
confusion... what am i to say?

We're the lost souls living it up  
we're the lost souls  
and every day we find the way  
and we will never go away

Cansado nado ante tu indecision  
quietamente flotas en el mar de mis venas  
perdida ante tu realidad virtual  
mi destino cedo a ti, resigno y me muero

Confusion... revolution  
why did you expect me to be holding on?  
confusion... what am i to say?

We're the lost souls living it up  
we're the lost souls  
and every day we find the way  
We're the lost souls living it up  
we're the lost souls  
and we will never go away

This is not what i used to be  
I find it hard to be mistaken twice  
this is not where it needs to be  
I find it hard to be inseparable

We're the lost souls living it up  
we're the lost souls  
and every day we find the way  
We're the lost souls living it up  
we're the lost souls  
and we will never go away
