Decidi volver, perdon resucitar
y acabar con todo lo que me has robado
tu reinado esta a punto de caer
de una vez por todas quedas derrotado

No escucharas el grito que enciende
y te veras en llamas caer
y nunca mas podras defenderte otra vez

I did it all, did it all, did it all for the new sensation
that dirty sexy friend that
everybody seems to love to hate
I did it all, did it all, did it all for the new sensation
That dirty nasty friend that
everybody loves to hate

Decidi volver perdon resucitar
tus mentiras tus enganos me han matado
vi mi fe caer, mas no mi dignidad
ahora tomare la tuya con mis manos!

Y no veras el grito que enciende
pero veras en llamas caer
no volveras jamas a venderte otra vez

i did it all, did it all, did it lal for the new sensation
that dirty sexy friend that
everybody seems to love to hate

i did it all, did it all, did it all for the new sensation
that dirty nasty friend that
everybody loves to hate

No quiero ver jamas caer, no
a nadie mas caer en vano
te veras caer ante mi libre expresion

no quiero mas perder tu tiempo
no puedo mas seguir callado
te veras caer ante esta gran revolucion

Y no veras el grito que enciende
pero veras en llamas caer
no volveras jamas a venderte otra vez

I did it all, did it all, did it all for the new sensation
that dirty sexy friend that
everybody seems to love to hate

I did it all, did it all, did it all for the new sensation
that dirty nasty friend that
everybody loves to hate

Te veras caer ante esto
quedaras expuesto ante esto
te veras caer ante esto
cederas tu puesto ante esto
