I've seen i've seent i've seen it all
I've seen 'em rise I've seen 'em fall
I know exactly what it takes

I need more troops to come My way
I hope, I pray for betters days
I know exactly where to stay

do You want to save Her soul?
do,do You? do You want to take control?
do You want to save your soul?

Voy a derrocar lo siniestro
enfrentarlo sin temor
quien vendra a salvar lo que es nuestro
si no dejas escuchar tu voz?

I see, i see the city lights
I've seen 'em dim I've seen them bright
I know We bend but We dont break

I need, i need a little more
I need more troops to fight this war
I know exactly where to stay

do You want to save Her soul?
do,do You? do You want to take control?
do You want to save your soul?

Voy a derrocar lo siniestro
enfrentarlo sin temor
quien vendra a salvar lo que es nuestro
si no dejas escuchar tu voz?
