Could you show me the light?  
could I buy some faith?  
could you please show me the way?  
I feel I?m going nowhere

Is hell really so bad?  
or is it similar to earth?  
many people use to say  
there you?ll have a great time

Are you gonna help me  
if I believe?

Will I have enough money?  
could you give some to me?  
could you please show me the way?  
I feel I?m going nowhere

could you forgive me for all  
the bad things that I have done?  
could you please show me the way?  
I feel I?m going nowhere

Are you gonna help me  
if I believe?

Are you gonna save me  
if I believe
