If we think back  
Seven years ago  
When we were three  
When we were young  
Thought we had been  
Through everything  
But we were strangers

We created the sauce  
We stolen lamps  
And we called John  
Several times  
?cause after all  
we didn?t mind  
didn?t mind the danger

Those happy days won?t back again  
Now we had been through everything  
Now we don?t speak too much  
?bout those days of glory

The people are  
not what we thought  
We were talking  
?bout it before  
but madness juice  
makes us strong  
and forget the danger

We were three guys  
and it were three months  
and we were free  
?cause we were three  
so you and I  
still trying to find  
just what we lost
