Oh, I think they like me when they heard me on the
other one
So it's only right that I hit you with another one

Yeah, niggaz like me, hataz wanna fight me
Yeah, ya bitch mad 'cause I came up ova night B
Now I'll switch it up, I got a 9 cuff tightly
So you'd better do the right thing like Spike Lee

Yeah, I'm super clean, rock jeans wit a white tee
Niggaz fuckin' soft but them niggaz wanna bite me
If you had 6 figures you'd be just like me
Yeah, these niggaz mad 'cause I'm shinin' like a light B

Niggaz talkin' 'bout yep in they motherfuckin' throw
back
He ain't real you know that, Muhammad where they
sold that
We steppin' on these niggaz like a motherfuckin' door
mat
When I hit the scene, they take pictures, call me Kodak

These ho's goin' crazy, yeah I think they need some
Prozac
We the hottest thing on the market and you know that
Ya bitch chosed up an' she don't wanna go back
We stackin' big faces 'cause we still spendin' all that

When I do it, it's somethin' like thriller in manilla man

Known as a killer man, fresh from the dealer man
So So niggaz, ain't no crew illa than 10 acres of land
And I got about a million dollaz worth of cars in my
front yard

I'm from the place in ATL where young niggaz sling
hard

Oh, I think they like me when they heard me on the
other one

So it's only right that I hit you with another one
Remix, we gets busy over here, no sleep
Niggaz stay up on their grizzly ova here
We young, we fly, we gon' flashy till the day that we die

Oh, I think they like me
Oh, I think they like, oh, I oh, I think they like me
Oh, I think they like me
Oh, I think they like, oh, I oh, I think they like me

They don't wanna fight me, I'm snatchin' ya ass up
First nigga act up s' the first nigga gettin' bust
Majestic gettin' shredded while I'm twirlin' and switchin'
so
T-shirt stravaganza
(Franchise, dem white tee boyz)

Self made self paid, we lounge around in our white tee
Ashy black shirt, well deep down to ya brown tee
My hundred throwback who sport a jersey by Ali
And if he make one, hell naw they don't sike me

I'm all about my cash ride around wit a nice piece
Ear piece, ice piece, they straight like me
You heard pimpin' playa
(Yeah they shine so brightly)

Don't stand so close, vision blurs when ice blings
Respect my whole squad no you can't even touch us
'Cause role out the red carpet high 5 and show us love
Carry barrettes count cheddar, we trendsettas
I'm a Franchise nigga, have a mil or betta

Six 0, six fo fo, six nine fo
Blow dro' wit the windows up on deuce fo's
Candy paint, brand new, think I ain't
Same chick, same clique, mo' bricks in the bank

Know now, no ho-down, throw down like Brat
It ain't no show down for no crown, I'm holdin' that
(That's right)
They [unverified] pay great till this day

Been in love with the mic, since Run DMC said, "Walk this way"

I talk this way 'cause I'm gangsta a shi-town legend
I'm not ordinary people, it's a star in your presence
I'm so icy that my earlobes hurt for what it's worth
Don't test me I got the four fith under the skirt

Thick in the the thighs can't touch that
Stay on my grind, I bust back if I must act and empty a stack
It's B to the R A T trust that I'm crazy, JD pays me
I'm such a fuckin' lady

I'm Bow Weezy, prince of the O-town
Just got the wheels clean, so I'm ridin' slow now
I'm in a fast car, somethin' like a nascar
If you wanna know how much it cost, you should ask pa

As far as the watch and chains
I dropped some change, its easy for me to cop them things
And I don't stop, I got rocks an rings, you know
The same size as a boxing ring

Swimming pool in the front, in the back yard, I ain't gotta act hard
I'm under 21 with a black card
And yea I know that was kind of a low blow
But the do' for the So So don't come slow

Oh, I think they like me
Oh, I think they like, oh, I oh, I think they like me
Oh, I think they like me
Oh, I think they like, oh, I oh, I think they like me

Oh, I think they like me when they heard me on the other one
