[Chorus 2x]

I heard dem boyz got plenty dough  
I heard dem boyz smoke nothin but drough  
I heard dem boyz takin ova ya know  
And that's the way dem boyz roll (oh oh oh oh)

[Verse 1]

I know ya heard a lot but did ya hear the right thang  
It's more than sellin weed and whippin up some  
cocaine  
Gotta know the streets the tricks and trays to make the  
right play  
But stay focused like ya mind in a chess game  
Get to the money that's the only thing that matter mane  
Believe in ya dough choose zeroes over hoes mane  
Even when ya hurt be a starter not a second string  
Produce like troops throw it up like ya serve game  
Get ya weight up nigga cuz I'm seein six figures  
The girls like me now but the hoes used ta dig us  
Plus they tryina eat tryina get a lil bigga  
Tryina see mo money than a fuckin bank tilla  
Now I get money straight flowin like a riva  
Cuz every otha week my bank account get bigga  
All on BET hangin out wit Tigga  
Chromed out engine paint flipped like some Skittles

[Chorus]

[Verse 2]

See people where I'm from thought I was lyin fo real  
When I said I hit a lick cuz I done signed a deal  
Naw I ain't tryina prop I'm just tryina live  
If success is at the top I'm finna climb the hill  
And we can't be stopped we headin to the last level  
If ya in the way we steppin on ya like a gas pedal  
It's Franchize and you know we don't play  
We takin over so niggas get out the way  
I'm kicked back burnin placks with this stick black motta  
Pussy and dollas homie ya know I get a lot of  
Tinted glass mash the gas in a black Monte Carlo  
My bitch clean rims spin when I stop her  
I'm young fresh hot and I'm blerssed ya feel me

My bristles wanna fuck but htey niggas won't kill me  
A rich fly wise guy them jokas hate when I ride by  
A MC six screen scatin on 25s

[Chorus]

[Verse 3]

Now evryody wanna make it  
But when the chance comesand there's a risk ya gotta  
take it  
A lotta niggas hate it but face it we done made it  
Franchise gone rise bitch we da butt naked  
I don't do this shit for free I was paid to be here  
This ain't no mistake I was made to be here  
And my chains been diamond since birth  
We all get money and we all smoke purk  
I'm doin good now you can say htat I'm blessed  
Cuz livin in these streets you need a gun or a vest  
That's why niggas study cuz it's nothin but a test  
Ya heard one thang but ya didn't hear the rest  
Ya knew I'd make it one day was just a matter of time  
People sayin quit playin boy ya wastin ya time  
Look at em now switcharoo I bet they wish they could  
trade  
And now my mama gettin calls oh I ain't know that was  
P.J.

[Chorus]
