Suckas come & try me, dey gon' find ya body
Suckas come & try me, dey gon' find ya body
Suckas come & try me, dey gon' find ya body
Suckas come & try me, dey gon' find ya body

If a nigga try me den he gon' die
I keep my tools cocked like debo eyez
And wen' I drop down, I ain't tryna scare ya
I make ya one two step like ya name Ciara

Put cha rist 'round ya head, protect ya face
I been gettin' money like collection plates
I put cha face on a shirt and you find it on front page
Try me if you want, I got mo 9's den forth grade

I re-up on da first, den again on da third
I'm in da hood like a fire hydrant sittin' on da curb
And I got heart, I got grams, I got pills, boy
I'm on da block posted up like a billboard

And I got dat torch so you know dat I blast metal
If you run away we steppin' on you like a gas peddle
And I got dat lemon squeeze, so I grip my pipe tight
Most deez niggas mad 'cuz we shinnin' like sum bright

Suckas come, suckas come
Suckas, suckas come & try me

Suckas come & try me, dey gon' find ya body
Suckas come & try me, dey gon' find ya body
Suckas come & try me, dey gon' find ya body

I got ho's fa dayz, dro fa day

A choopa that sprays and I keep that throwaway
So if a nigga wanna try, his ass gon' die
Six feet under the dirt you lie

So duck when I bust, I'll shoot your ass off anger
Drippin' blood on my shoes, leave yo' ass on a hanger
We da true, who care, Franchise, let's get it
These niggas soft then snuggles and big ass titties

I keep da croon piece nigga and my fingas stay flickin'
They say I need some Benadryl 'coz that bitch stay
itchin'
It's gettin' hot in my kitchen, I stay cookin', I'm bad
I get mad, I have you redder then maxy pads

Maceo told you niggas bout fuckin' wit' Drez
I gotta a click of niggas ready to put one in yo' head
Stretch you out on the bed and slap a tag on yo' toe
I told you niggas 'bout fuckin' wit big omp, hoe

I stay in the mall, niggaz wonder why I shop a lot
Dey call me bubble gum 'coz a nigga like to pop a lot
My diamonds gliss a lot, I keep my tool round hot
I got the choppa in the trunk, so everybody gettin' shot

I might pull up in yo' hood, DJ Unk out the tee-top
If you ain't got no pistol, hope you strapped up yo
Reeboks
If niggaz want beef, I'ma give him what he askin'
Dat choppa clear the block like Pro Active

I got a big rocket, help me take off like a jet man
Call me Wolverine 'coz I'm connected with the X man
I got lil' money and niggaz still ain't change
And I had to step it up sittin' on LeBron James

I gave dis shit a break and got the camp on the beat
Bitch I never [Incomprehensible] I got dem blocks on
the street
Everywhere dat I go, I got my nine right beside me
If niggaz think I'm playin' then nigga come and try me
