sucka come and try me
they going to find your body x4

verse 1

if a nigga try me then he going die
i keep my tool cock like debo eyes
and when i draw down i aint tryin to scary ya
ill make you one two step like ya name ciara
put ya vest around your head protect ya face
i been getting money like conlection plates
i put your face on your on a shirt
and you find it on front page
try me if you want
i got more 9'S then 4th grade
i reup on the 1st and again on the 3rd
i am in the hood like a firehighden sitting on the cove
