I never met a girl quite like you boo  
Who looks as cute as you (you) boo  
Can't no other girl do me like you  
Treat me like you  
Kiss me like you  
I never met a girl quite like you boo  
I never met a girl (like youuu) oh no  
I never met a girl that can do me like you  
Kiss me like you

I never I didn't I'm speechless the definition of real love  
she's it so fresh from her head to her toe nails so swell  
if loving you is wrong then oh well cause I never seen a  
girl like you at all block to the cars young ray charles  
yes I had to go there my love as no direction you ain't  
going nowhere who gonna do all the things that I just  
like who gonna rock and strut the heels just right do  
you love me then show me kiss me hold me

I never met a girl quite like you boo  
Who looks as cute as you (you) boo  
Can't no other girl do me like you  
Treat me like you  
Kiss me like you  
I never met a girl quite like you  
I never met a girl (like youuu) oh no  
I never met a girl that can do me like you  
Kiss me like you

Girl let me tell you what you do to me you walk my way  
make me pick up some things like a walk in the park  
after dark looking at the certain sky cause it brings out  
your eyes I wanna know why...why you make start to  
quiver every time you walk girl it ain't no lie  
sometimes I'm nervous when you say hi I know this is  
hard to believe cause I usually have some trick up my  
sleeve but with you it's something different cause I can  
hardly see any other girl tryin talk to me I'm mesmerize  
by the walk by the way you talk girl don't stray far from  
my mind you so fine I want you to be mine I'm talking  
holding each other in the middle of the night I'm  
talking the first kiss when the time is right I'm talking

you next to me and my arms around I'm gon hold you  
down cause I'm yo man now

I never met a girl quite like you boo  
Who looks as cute as you (you) boo  
Can't no other girl do me like you  
Treat me like you  
Kiss me like you  
I never met a girl quite like you  
I never met a girl (like youuu) oh no  
I never met a girl that can do me like you  
Kiss me like you

Well she is a scorpio what else should I be looking for  
shit I don't know but I never felt this way before I'm  
hypnotized shawty gotta be the wifey type to have and  
to hold and to cherish her with all my might if  
somebody could be her soft lovely touch of the smile  
that she got it's wroth a million bucks I realize that lil  
shawty is one of a kind she gives me her all cause she  
knows I gives her mine and she be listing to what them  
other chicks be sayin' because they sideline while she  
in the game playin' this is real talk so listen up to what  
I'm saying because iiiii

I never met a girl quite like you boo  
Who looks as cute as you (you) boo  
Can't no other girl do me like you  
Treat me like you  
Kiss me like you  
I never met a girl quite like you  
I never met a girl (like youuu) oh no  
I never met a girl that can do me like you  
Kiss me like you
