[D-Nell's verse]

I hate when niggaz in the club doin' all that pushin'
i hit the Heizman on dey ass straight Reggie Bushin'
i can't dance i just hit the club for ho's
if a bitch wanna trip I hit the Heizmen on dat ho

If she don't wanna dance, I get over it
but I be mad as hell when niggas don't be wearin'
deodorant
the same nigga wanna bump all into ya make ya
spill ya cup and then the nigga steppin' on ya shoes
but I move on walking through the club and shit
I see twenty niggas on one fuckin' girl and shit
but i love the shit when all the girls twerk
Nigga drop his blunt and burn a damn hole in my shirt
and it was dark, it took a while to find it
but when I did, best believe a nigga crank that Heizman
and it's some ho's in this place
and if you get wrong you'll catch a Heizman to ya face

[chorus:]

Shawty fine, breff stank (Do the heizman on dat ho)
