[Chorus]

Man I should've known, should've known, should've  
known  
should've known, should've known  
Should've known that she was crazy than a  
muthafucker  
(crazy, crazy, crazy)  
she was crazy than a muthafucker

Man I should've known, should've known, should've  
known  
should've known, should've known  
Should've known that she was crazy than a  
muthafucker  
(crazy, crazy, crazy)  
she was crazy than a muthafucker

[Verse 1]

And God damn you all crazy ass  
wanna smash my Mercedes ass  
pokin' holes off in the condoms tryna have a baby ass  
all up in Saks 5th when you deserve Macy's ass  
talkin' bout shit, yea nigga, better pay me ass  
bitch all up in my house and I ain't tryna room mate her  
she in and out my drawers like its, like it's Room  
Raiders  
she crazy and deranged, when she in the Range  
skip the jewelry store and grab rocks  
like she Tomb Raider (raider, raider)  
but before you hit that Alter  
and the preacher start pronouncin'  
gave her half your heart but she got half of your  
amount  
of whatever's in your account  
so take that into account  
and you best get to countin'  
before you gets to bouncin'  
bitch

[Chorus]

Man I should've known, should've known, should've  
known

should've known, should've known  
Should've known that she was crazy than a  
muthafucker  
(crazy, crazy, crazy)  
she was crazy than a muthafucker

Man I should've known, should've known, should've  
known  
should've known, should've known  
Should've known that she was crazy than a  
muthafucker  
(crazy, crazy, crazy)  
she was crazy than a muthafucker

[Verse 2]

Crazy, man I must be crazy too  
cuz crazy as she is I could'nt leave her if ya paid me to  
I swear I goes to work on that pussy like she paid me to  
d-d-dick her up and now she walkin' like she 82  
(I like the you you do it)  
she get it from her mama  
headaches every night a nigga get it from the drama  
man if she don't make that money, she gon' take that  
money  
not from you, yeah she get it from your Honor  
believe that, fuck you get my password?  
readin' through my emails and you ain't even ask first  
I know I should leave her  
for damn sure don't, don't need her  
everytime I try and hit the door I always hit that ass first

[Chorus]

Man I should've known, should've known, should've  
known  
should've known, should've known  
Should've known that she was crazy than a  
muthafucker  
(crazy, crazy, crazy)  
she was crazy than a muthafucker

Man I should've known, should've known, should've  
known  
should've known, should've known  
Should've known that she was crazy than a  
muthafucker  
(crazy, crazy, crazy)  
she was crazy than a muthafucker
