Baby do what you gotta do, do what you gotta do  
Do what you gotta do  
Baby do what you gotta do  
For the shit that you gotta have  
Shit that you gotta have  
What you gotta do  
For the shit that you gotta have  
We out here, grinding, shining  
If I ain't getting paper, bitch I'm dying  
If I ain't getting paper, bitch I'm dying  
Do what you gotta do, do what you gotta do  
Do what you gotta do  
Bitch do it  
Do what you gotta do, do what you gotta do  
Do what you gotta do  
Get to it  
Do what you gotta do, do what you gotta do  
Do what you gotta do

Pop, pop, pop, pop that, whoa  
Do anything except stop that  
Hold up, all of that ass I can't grab it  
You might as well be a gat bitch!  
Boy I'm bout the body, getting sloppy sloppy  
While I'm rolling kamikaze  
Ski, ski, ski's where I make the pussy fire hydrant  
She up and down the pole, like she, like she fire  
fighting  
Bitch I'm finally famous, I do, I do what I want  
The money, money, sex, money in the air  
With an aroma, swear I got her head banging, banging  
Might be in a coma  
Walk up to the baddest bitch and tell her that I own her  
I own you

[Hook]

Baby do what you gotta do, do what you gotta do  
Do what you gotta do  
Baby do what you gotta do  
For the shit that you gotta have  
Shit that you gotta have

What you gotta do  
For the shit that you gotta have  
We out here, grinding, shining  
If I ain't getting paper, bitch I'm dying  
If I ain't getting paper, bitch I'm dying  
Do what you gotta do, do what you gotta do  
Do what you gotta do  
Bitch do it  
Do what you gotta do, do what you gotta do  
Do what you gotta do  
Get to it  
Do what you gotta do, do what you gotta do  
Do what you gotta do

Oh, t killer, dick game gorilla  
Come to one, pull up, like bill ups  
2 hoes, score them like a fucking fill up  
Asian bitches, wu tang give them rhythm  
Oh really, milli vanili, fecking with me  
Bet she lift that ass up high like she hit a willie  
In the club, be in the back like bentley  
Niggas pretending to be me, man this shit don't offend  
me  
I'm bout my bindess and this bitch is temporary  
I don't give them love, try february  
Money committed, swear this shit be married  
I get that cake, cake, cake, then I pop a berry

[Hook]

Baby do what you gotta do, do what you gotta do  
Do what you gotta do  
Baby do what you gotta do  
For the shit that you gotta have  
Shit that you gotta have  
What you gotta do  
For the shit that you gotta have  
We out here, grinding, shining  
If I ain't getting paper, bitch I'm dying  
If I ain't getting paper, bitch I'm dying  
Do what you gotta do, do what you gotta do  
Do what you gotta do  
Bitch do it  
Do what you gotta do, do what you gotta do  
Do what you gotta do  
Get to it  
Do what you gotta do, do what you gotta do  
Do what you gotta do.
