Catch me running to the money until my feet losse
feelin.
stack it wall to wall till its leaking through the ceilin.
Man
All fucking hundreds so whats that like a zillion?
working grave yard shifts cause were fitten to make a
killin.
Went from intern to the owner of the building. Bussin
nuts counting money like owe what a feelin.
To be seeing what I'm seeing after I've seen what I've
seen its like acting out a scene from a dream of my
dream.
I got a dream that's worth more then my reality. And
pride that's worth more then a salary.
And a text from the girl I love I stopped calling
Quote I hope its worth all it.
Sometimes I feel I'm working just to work harder. And
then work harder then who worked the hardest. man
the life of a workeraholic .You either on your work or
just workin on it.
Man fuck it kill'em all we gunna need a ton of flowers.
And if you need a possibilie give me bout an hour.
Its time to turn a polaroid to a portrait.
Rockin strett clothes gettin money like a corporate.
Youngen gettin it isn't life gorgeous.
Bet the crib on em and you'll end up with a fortress.
And ima need that new condo, town home, brown stone
should I fuck with the dial jones.
Or maybe I'll put money on the block instead?
There's no need to save I could get change off the
street next to the meter maid.
Cause I need a maid house with a piece of shade.
Butler doing such a good job that they need a raise.
Bad chick with an angle ass and an alyiah face. Tryna
show a little TNA.
Hell ya I'm tryna see the day
Man
life is so bright when you don't see the grey. The blue
school appointed me to lead the way. A real nigga to
the DNA.
Me mike grace and dilla. Sticken to the script.and
what's her name still lickin on my tip.

Gon a head and tell these bitches who there fuckin.
Man to get where I'm at I'll make her suck a hundred
dicks. Man to get where I'm at I'll make her suck a
hundred dicks. Her mouth lookin like damn it. Because
of me and canon and to get where we at she had to
suck a hundred dicks.
Man I got on versace shades,
Versace belt, versace shoes. I might've fucked around
and been the freshest nigga in the world today.
You dont understand man I came from nothing. This
what I dreamed about. This what we dreamed about.
Boy.
